Further Tributes to the Memory of Dr. Zamenhof.

From the Right Hon. Sir T. VEZEY STRONG, K.C.V.O., K.B.E.—It was my great privilege, as Sheriff of the City of London, acting on behalf of the then Lord Mayor, to receive Dr. Zamenhof in Guildhall after the Cambridge Congress of 1907.

Of all the illustrious men who have been honoured in that ancient Hall, none has been more worthy of the gratitude and veneration of all good citizens than he who gave to the world the International Auxiliary Language, "Esperanto," to be the common possession of all mankind, for Friendship, for Commerce, and for social intercourse.

In the Coronation Year of Their Majesties King George V. and Queen Mary, 1911, in the same Hall, I presided as Lord Mayor over a great meeting of the citizens in support of Anglo-American Arbitration.

I caused an Esperanto translation of the proceedings to be sent to all parts of the world, and the replies I received showed beyond a doubt that the language created by Dr. Zamenhof had proved itself an efficient medium of international communication.

With all my heart, therefore, I join you in honouring the memory of this good man, as a benefactor of the human race,

May all his hopes be fully realised.

From Ald. Sir CHARLES WAKEFIELD, Bart.—In my year of office as Lord Mayor of London I had the honour to preside over the very important meeting in Painters Hall to consider the advisability of adopting one Common Commercial Language for the purposes of international communication. From the knowledge I gained on that occasion, and from all that I have learned Esperantisto.

since, I am well assured that Dr. Zamenhof, whose memory you honour to-day, rendered a great service to the world by the creation of the International Auxiliary Language, Esperanto.

I desire, therefore, to associate myself with those who thus commemorate a life of devotion and self-

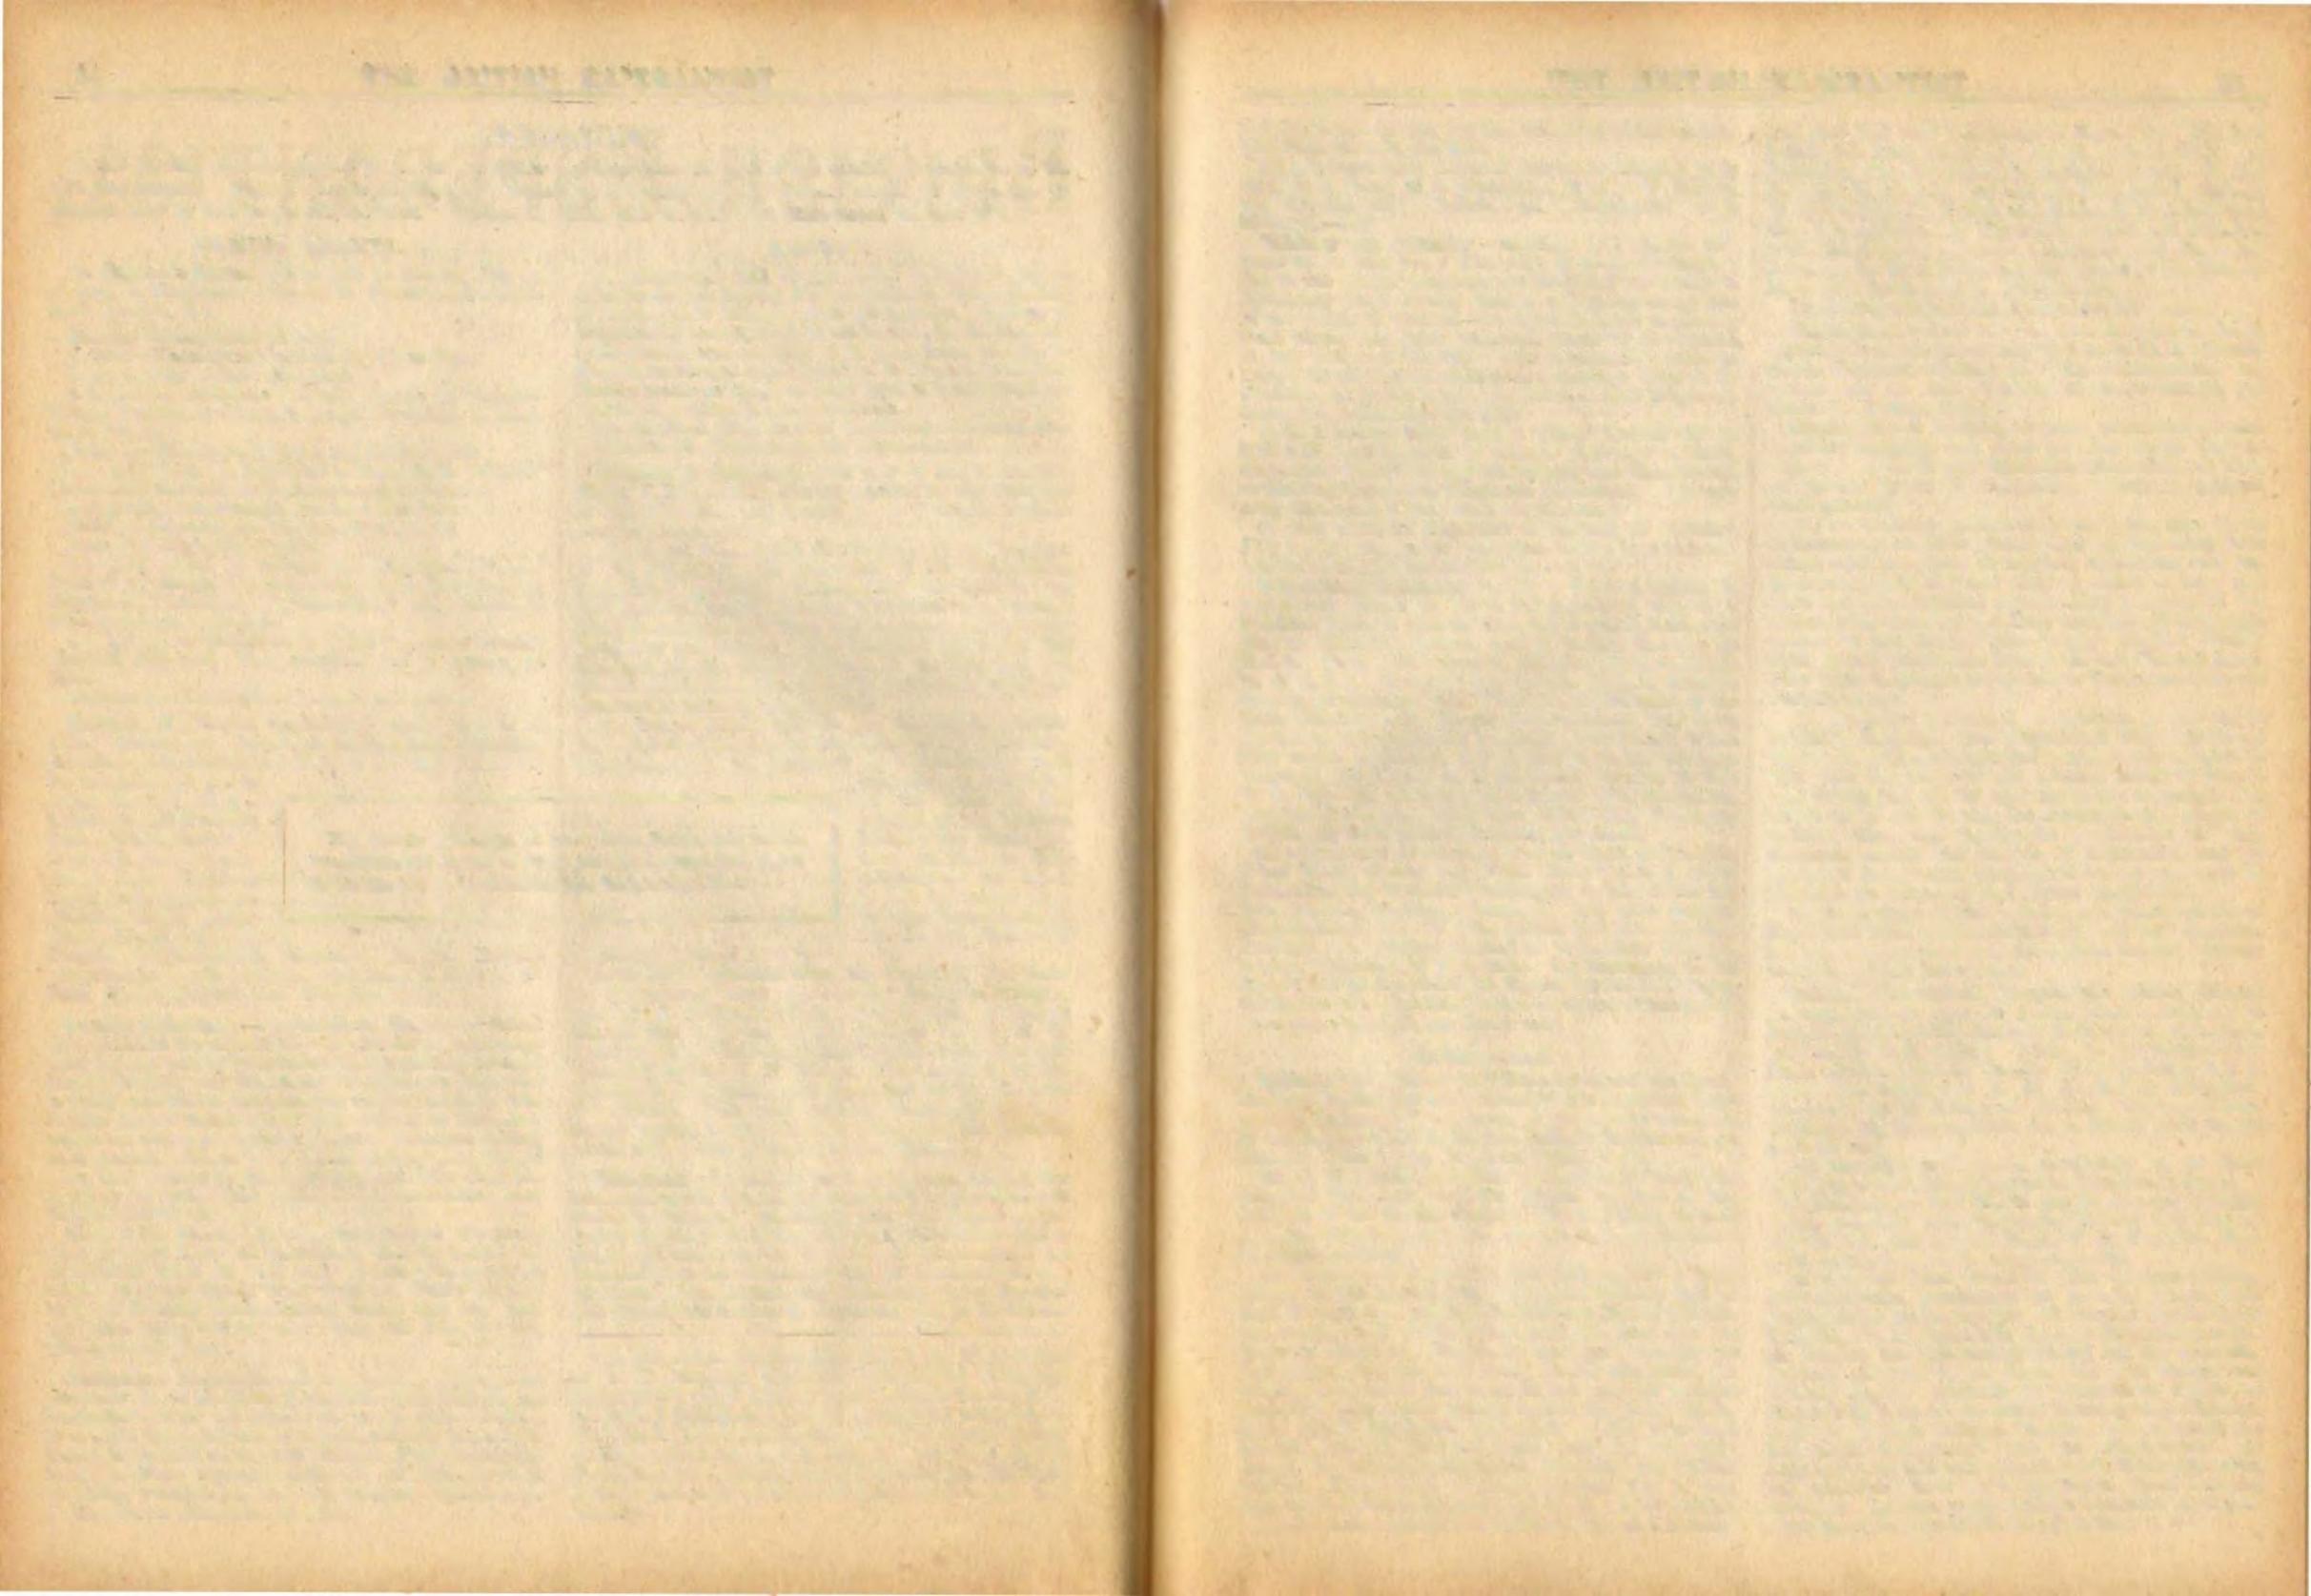

sacrifice.

Whatever is done to simplify and co-ordinate the commercial relations of nation with nation is done at the same time in the interest of those deeper and more spiritual relationships which bind mankind into one community of mutual service.

Strato Zamenhof.

D-ro Amaro Cavalcanti, tre inda ĉefurbestro de Rio de Janeiro, decidis favore la peton faritan de la Prezidanto de Brazila Ligo Esperantista, por ke li donu la nomon Zamenhof al unu el la stratoj en Rio de Janeiro, ĉefurbo de Brazilio. Laŭ la dekreto No. 1, 165, de l' 31a de Oktobro lasta, la strato Maria José (distrikto Espirito Santo) estas de tiam nomata Zamenhof. Tiu ĉi strato sidas tre proksime de l' urbcentro kaj apud la Normala Lernejo? La jurnaloj aplaŭdis la agon de D-ro Amaro Cavalcanti kaj diris, ke ĝi estas justa respektegaĵo al la genia kreinto de Esperanto kaj granda apostolo de la Paco Universala.

Komitato konsistanta el D-roj A. Couto Fernandes, J. B. Mello e Souza kaj Generalo Manoel Portilho Bentes vizitis D-ro A. Cavalcanti por lin danki, en la nomo de ĉiuj Brazilaj Esperantistoj. — El Bravila

Chamber of Commerce.—On May 31 Mr. A. BARTON Kent, F.R.G.S., delivered an address to the Members of the Chamber and others on a "Common Commercial Language."

The Right Hon. LORD SOUTHWARK (Vice-Chairman of the Chamber, and Chairman of its Educational Committee) presided. Introducing the speaker, he said that the London Chamber of Commerce was always ready to welcome new ideas and suggestions as to something new and helpful. The Chamber had never discouraged an idea merely because it was new, but if it proved practical and beneficial to business it would not condemn it without investigation.

Mr. Barton Kent's address was thoroughly interesting and full of facts as to the necessity for a Common

Commerce Journal for July.*

After short speeches from Mr. GRAHAM, Mr. JOHN G. NICHOLSON, Lord SOUTHWARK, Major MOUNSELL, and Mr. J. BREDALL (Thos. Cook & Son), a vote of thanks was proposed to the lecturer by Mr. H. L. Symonus, Vice-Chairman of the Council of the Chamber, seconded by Mr. J. H. Polak, Vice-Chairman of the Education Committee, and supported by Mr. GRAHAM . Spicer. This was carried unanimously, and briefly replied by Mr. Barron Kent, and the meeting closed with a vote of thanks to the Chairman.

Edmonton.—La anoj de tiu ĉi grupo estas feliĉaj, ĉar antaŭnelonge la senlaca kaj bonkora S-ro Harrison Hill vizitis la grupejon. Rezultato estas, ke okazis propaganda kunveno en la Central Hall, Fore-street (laŭ la afabla permeso de la Rev. J. T. Chennalls). La Ceestantoj multe interesiĝis en la parolado de nia laborema ekssekretario kaj instruinto, S-ro Faraker (kiu bedaŭrinde forlasis la regionon), kaj je la fino oni halo ĉiuĵaŭde je la oka horo.

Though a few of the earlier members are dropping off owing to advancing years (C.S.S. notu!)—the group being one of the oldest in London—we are constantly attracting fresh blood, and have welcomed some 12 newcomers in the past two months. This satisfactory state of things we owe to our energetic secretary, Miss C. I Freeman, at whose house, 52, Calabria-road (Highbury Station), the meetings are held.

Recent events have been a Piano Recital by an L.R.A.M., and lectures on Islamic Marriage Customs, Esperanto Poetry, Gregg Shorthand, the Manufacture of Blotting Paper, and Linguistic Curiosities. The new programme can be had from the secretary.

A New Class for Beginners is starting on Tuesday, July 2, at 7; fee, 5s. for twelve lessons at above address; earnest students cordially invited.—Ano.

ELSEWHERE.

Belfast.—An address on "Reconstruction and International Trade, and the Necessity of a Common Commercial Language" was given at the weekly luncheon of the Rotary Club, in the Shaftesbury Restaurant, on Monday, June 17, by Dr. John Pollen, C.I.E.

Mr. G. W. Clarke (president of the Rotary Club), who occupied the chair, said Dr. Pollen was one of the builders of the British Empire. He had done his part at empire-building, and was now trying to do his share in empire-keeping.

Dr. Pollen said Esperanto was undoubtedly a great reform in the lingual line. All great reforms had to pass through three stages—the first was that of ridicule, the second that of discussion, and the final one the stage of adoption. Esperanto had got through the first stage, and was now being keenly discussed. business men would only consider the question without prejudice, they would quickly realise the great advantages which Esperanto possessed. The War had brought home to them the urgent need for some easy means of intercommunication between the Allied nations. There were 24 such nations, and it was impossible to learn the languages of all. They wanted

His own belief was that Esperanto would come swiftly and La pliprogresintoj ankoraŭ kunvenas ĉiulunde je la suddenly, like the policy of daylight saving. It had been put to the test, and had not been found wanting. In concluding, Dr. Pollen said it should be emphasised that the adoption of Esperanto would not interfere with the existing national languages. On the other hand, so far from retarding the spread of English, he believed it would help it. (Applause).

Dr. Pollen was heartily thanked for his address.

Birmingham,—S-ro V. Grimmitt, la 23an de Majo, alparolis la anojn de la loka filio de la I.L.P. (Sendependa Laborista Partio) pri "La Internaciismo kaj rimedo por tiu celo." Rezultate grupo stariĝis por ellerni la 1.L. Esperanto.

Bournville.--A meeting of those interested in this auxiliary language was held on May 29, at the instigation of the Works Education Committee, to hear an address by Mr. V. Grimmitt. About 120 persons

Mr. G. Cadbury, Junr., took the chair, and in his introductory remarks stated that he had once been sitten with the spirit of learning Esperanto, but unfortunately had not had time to follow it up. The chairman also surprised a good many members of the audience by pointing out that there are six languages spoken in the British Isles to-day-English, Welsh, Irish, Manx, Gaelic and French (in the Channel Isles). How many languages are spoken in Europe he could not venture to say.

Mr. Grimmitt proceeded to establish a case for an auxiliary language. He emphasised the commercial importance of an international language, and also proved teatraĵon, La Juveloj de la Baronino, verkitan de S-ro that from the scientific and political points of view a very strong plea can be urged for such a language. Its akceptis ĉi tiun komedion, kiun ludis F-inoj Grant kaj utility as an aid towards the formation of a league of nations, also, can hardly be overestimated. Mr. Grimmitt traced the history of Esperanto, and by means of blackboard demonstrations he was able to illustrate its simplicity and logical construction.

As an outcome of this meeting two Study Circles in Esperanto have been commenced, and Mr. Grimmitt has given his services as leader of both circles; already some 80 persons have joined.

Bolton.—Interespiena kampfesteno okazis sabaton posttagmezon la 15an de Junio, kiam la anoj de la Boltona Societo renkontis tiujn de Horwich, Adlington, kaj Chorley en Rivington. Permeson oni havigis trairi Dean Woods-kutime fermita al la publiko, kaj la anaron kondukis S-ro J. H. L. Booth, Rivington, sekretario de la Adlington Societo. La vetero estis tre taŭga kaj la promenado tra la arbaro estis treege

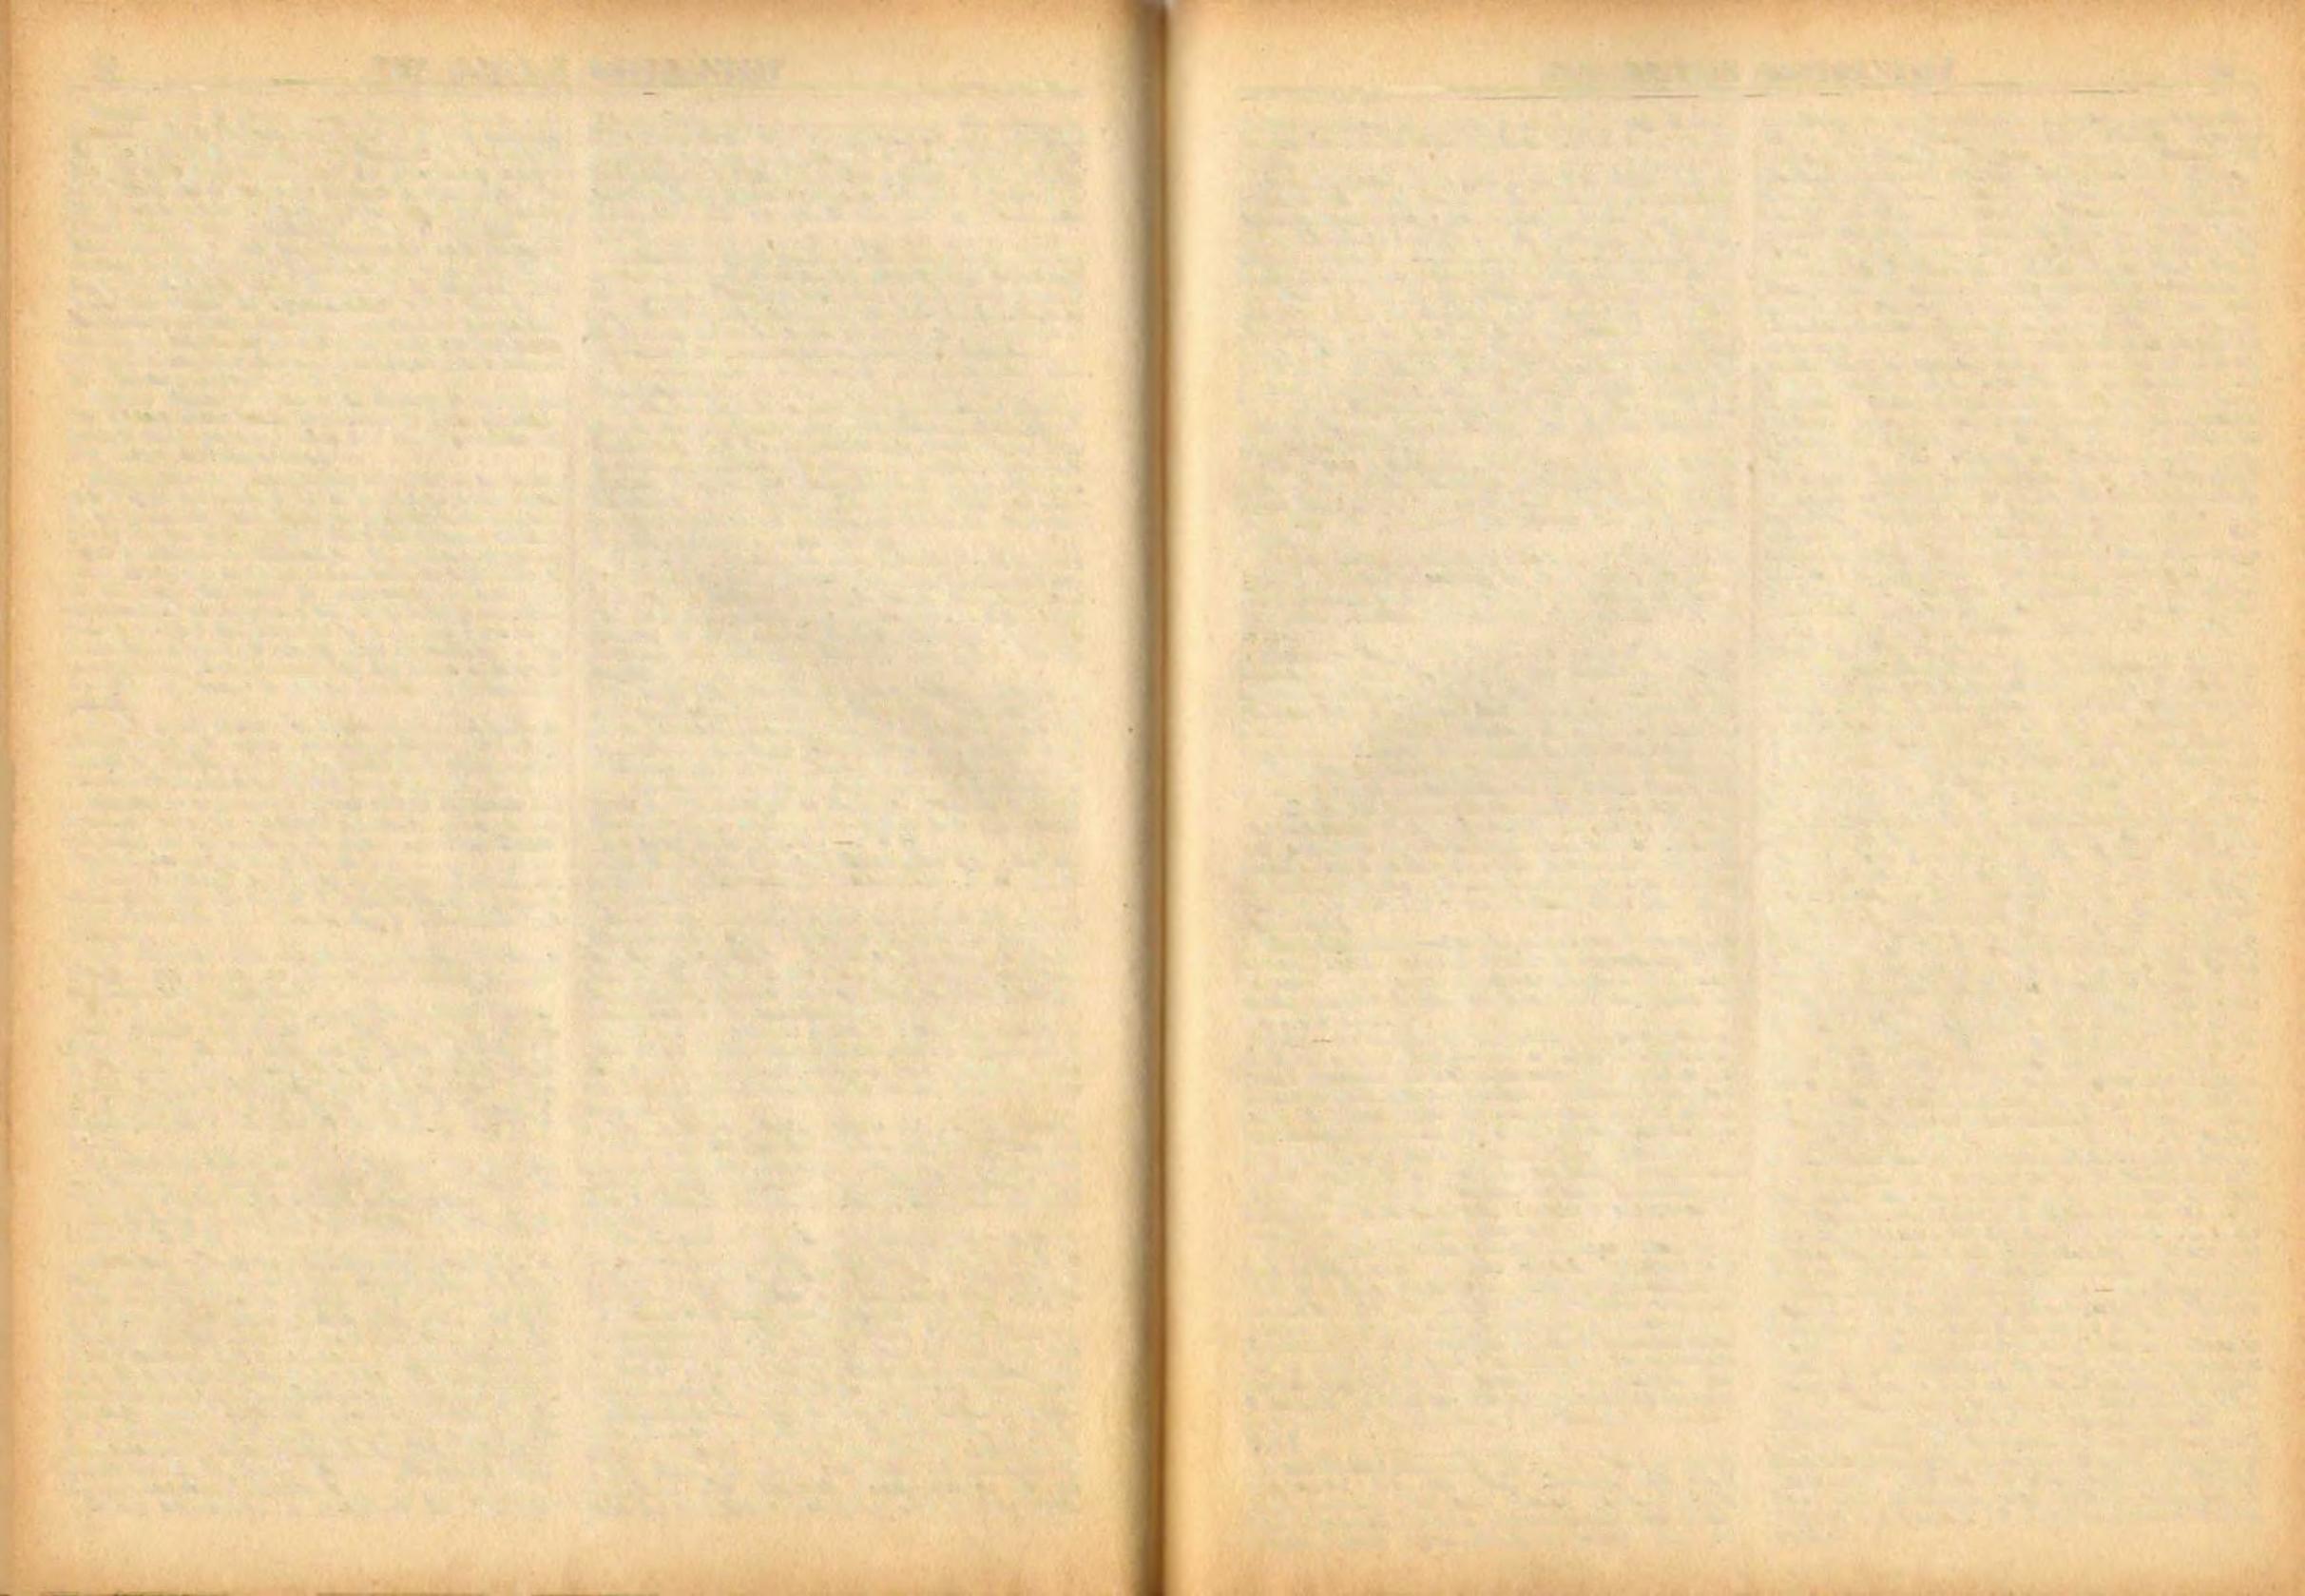

Oni temanĝis subĉiele laŭ piknikstilo, kaj tio donis al la anoj bonan okazon konversacii esperanta-lingve.

Voĉdankojn al S-ro Booth pro la bonegaj aranĝoj saritaj proponis S-ro Birtwistle, Rolton, subtenita de S-ro Brown, Chorley, kaj Pastro P. II. Fearnley, Hor-

wich, al kiuj S-ro Booth tauge respondis.

La 10an de Junio antaŭ la loka Teozofia Societo, S-ro Birtwistle, prezidanto de la loka grupo, faris propagandan paroladon pri "Esp-to, a Brotherhood Language." Li montris la neceson de Esperanto por ĉiu societo kun internaciaj idealoj kaj laŭ konvinka maniero montris, ke ne povas esti vera fratiĝo sen komuna lingvo. Aludante la proponatan Ligon de Nacioj li diris, ke tiu ne povos efektivigi siajn idealojn, se ĝi ne alprenos neŭtralan lingvon, ĉar ne povas esti kontentiga kompreniĝo pere de interpretisto. La andantaro esprimis sian simpation al la Esperanta alero, kaj espereble dank' al la parolado kelkaj rekrutoj impossible to learn the languages of all. They wanted varbigos. La loka grupo arangis vendadon de Espersome common language that could be used immediately, antaj libroj, kion kontrolis S-ro J. Miller.

Bristol.—Tiu ĉi grupo aranĝis kunvenon kun la Bath gesamideanoj la Pentekostan lundon, kaj pro la klopodoj de S-ro Carr el Bristol kaj S-roj Blackett kaj Padfield el Bath ĝi estis granda sukceso. La Bristol-anoj piediris al Saltford, kie ili renkontis la Bath samideanojn. De tre ili tramveturis al Bath kaj temanĝis ĉe Coombe Down inter belaj ĉirkaŭaĵoj. Poste ili kunvenis kaj kantis esperante. La longa promenado donis bonegan okazon por babilado en Esperanto kaj, ĉe la fino de la lago, ĉiu lernanto povis flue paroli la lingvon. Tre lacaj, sed plenaj de esperantismo pro la spertoj, la Bristol-anoj alvenis hejmen je la noktmezo. La granda nombro da ĉeestantoj ĉe tiuj ĉi vagadoj tre kuraĝigas la organizantojn kaj montras ĉiam kreskantan intereson pri "nia kara lingvo."—W.F.W.

Chorley (Lancs.).—Diservo en Esperanto okazis en La Kapelo, Park-strato, dimanĉon, la 12an de Majo. Ceestis tridek personoj; S-ro J. Jackson predikis kaj S-ro Percy Swift kantis solon.

Edinburgh.—La laŭprogramaj kunvenoj de la societo jam finigas, sed ĉiumerkrede ĉe la grupejo je la 8a horo kelkaj grupanoj renkontiĝas por interparolado kaj estas pretaj akcepti vizitantojn. Multe da aktiveco evidentiĝas nuntempe en Edinburgo, kaj grandaj klopodoj estas farataj por certigi la enkondukon de Esperanto en la vesperajn lernejojn la proksiman vintron. La ĉefinstruistoj de tri gravaj komercaj lernejoj simpatias kun la movado kaj permesis al ni priparoli ĝin al la lernantoj. Cirkaŭ 40 kursoj, kiuj reprezentas pli ol 1, 100 gejunulojn estas alparolitaj, kaj multe da intereso troviĝis. Nuntempe la lerneja komitato konsideras la

Multaj lokaj gazetoj enpresis favorajn raportetojn pri

Hastings.—The group's annual concert took place on May 29 at the Y.M.C.A. rooms, Breed's-place, before a large and appreciative audience. There were pianoforte pieces and songs by Miss Elsie Tyler and Miss Dorothy Cannon, songs by Miss Eva Walson and Mr. Tom Coussens, and a recitation, "La Enterigo de Sir John Moore," by Master Tom Child. The chief item on the programme was an Esperanto propaganda playlet (in three acts), "Saved by a Servant," written by Mr. J. J. Boutwood, J.P., president of the group. The characters were taken by Mr. Gurney Tyler, Miss Maud Tyler, Mr. H. E. Crouch, Mr. J. J. Boutwood, Mr. J. Turner, and Miss I. Blackman.

Liverpool.—La grupo ĵus perdis unu el siaj malnovaj membroj, S-ro E. E. Bromilow, kiu mortis je la frua aĝo de 41 jaroj. Dum la lastaj monatoj li ne povis pro malsano ĉeesti la kunvenojn, sed lia intereso kaj simpatio je la kara afero restis ĝis la fino. Al lia vidvino ni esprimas nian sinceran kondolencon kaj simpation.

Ekzameno okazis sabaton, la 13an de Aprilo. Dek

du partoprenis. La ĉiujara kunveno okazis je la 13a de Majo, kiam oni elektis la jenan estraron. Prezidanto, Rev. R. B. Unu el la grupanoj, kiu estas komizo ĉe Mapleton's Nut Food Co., Ltd., komencis kurson kaj nun instruas lingvon al dekduo da kunlaborantoj. Nenecese estas diri, ke la firmo akceptas korespondadon en Esperanto; efektive ĝi jam ricevis kelkajn mendojn Esperante verkitajn de rusa samideanino, kiu loĝas "ie en

La unua ekskurso de la somero okazis sabaton, la rran de Majo. La celo estis Barnston Dale, sed pro la pluvema vetero, anstatati "atingi la celon en gloro" ni temanĝis ĉe la vilaĝo Woodchurch kaj revenis trans "Bidston" monteton. Tamen en la vespero la vetero multe pliboniĝis kaj atinginte la supron de la monteto ni povis vidi la montojn en Kimrujo, kvankam la insulo Man obstine sin kaŝis malantaŭ proksima domo (proksima de ni, ne de la insulo). On May 9 the Liverpool Rotary Club again had the subject of Esperanto put before them by Mr. J. D.

It will be remembered that last month Mr. Barton . Kent came up from London to speak to the members on the same subject. The interest created in Esperanto by Mr. Kent at this Club may be gathered from the following lines written by the Convener-Speakers' Committee to Mr. Applebaum:--

"At our last Council meeting it was suggested, in view of the interest taken in the talk on Esperanto by Mr. A. Barton Kent just recently, that another meeting be held, at which members be invited to discuss the

subject, etc."

Mr. Applebaum dealt at length with the conclusions of Report of the Modern Languages Committee, and showed how this important Government Committee points to the usefulness of an artificial language, and how it admits the excellencies of Esperanto for such

The Council of this Club will shortly meet again for the purpose of deciding what line of action it is to take up in order to further the cause of Esperanto in Liverpool. It is hoped that something very tangible will result from these newly-acquired converts.

Samideanoj in other towns where Rotary Clubs are in existence will do well to look up this new and important field of activity, where many business men can be captured who would be useful to our movement.

Ĉe la dua (kiu estis kunveno ne de la tuta asocio, W.E.A. sed kunveno de la delegitoj de diversaj filioj) nia delegito sukcesis babiligi pri Esperanto la aliajn delegitojn kaj du profesorojn el la Melburna Universitato. Ili ĉiuj parolis kuraĝige pri nia espero interesi la W.E.A. Profesoro Meredith Atkinson (antaue de Oxford Universitato) diris, ke antaŭ longe li esploris la lingvon, Esperanto, kaj ke li trovis ĝin unu el tiuj aferoj, kiuj preskaŭ kapturnas nin per sia simpleco. Konsentas ĉiuj ni!!!

Nia viveca prezidanto, S-ro Pyke, denove preparas prezenti unu el siaj dramoj por propagandi nian aferon. "Iun Belan Tagon" estas la titolo; kaj baldaŭ post la bela tago de ĝia apero, ĝin sekvos alia de la sama

York. - La lernigilo de S-ro Thurgood, priskribita en la Marto numero de Esperanto Monthly, evidente trafis bonan akcepton, ĉar kelkaj personoj jam petas ekzempleron ail demandas pri la prezo. Bedaŭrinde la elpensinto ne havas sufice da tempo por fabriki pluajn specimenojn; krom tio, li ne deziras sin riĉigi tiamaniere. Ĉiuj rajtas kopii; nur estas necese legi la priskribon.

Oni sciigis al ni, ke nia societano, Lettenanto Ormonde, gajnis la "Militan Krucon" medalon pro kuraĝeco ĉe la batalkampo. Li estas la dua ano de nia

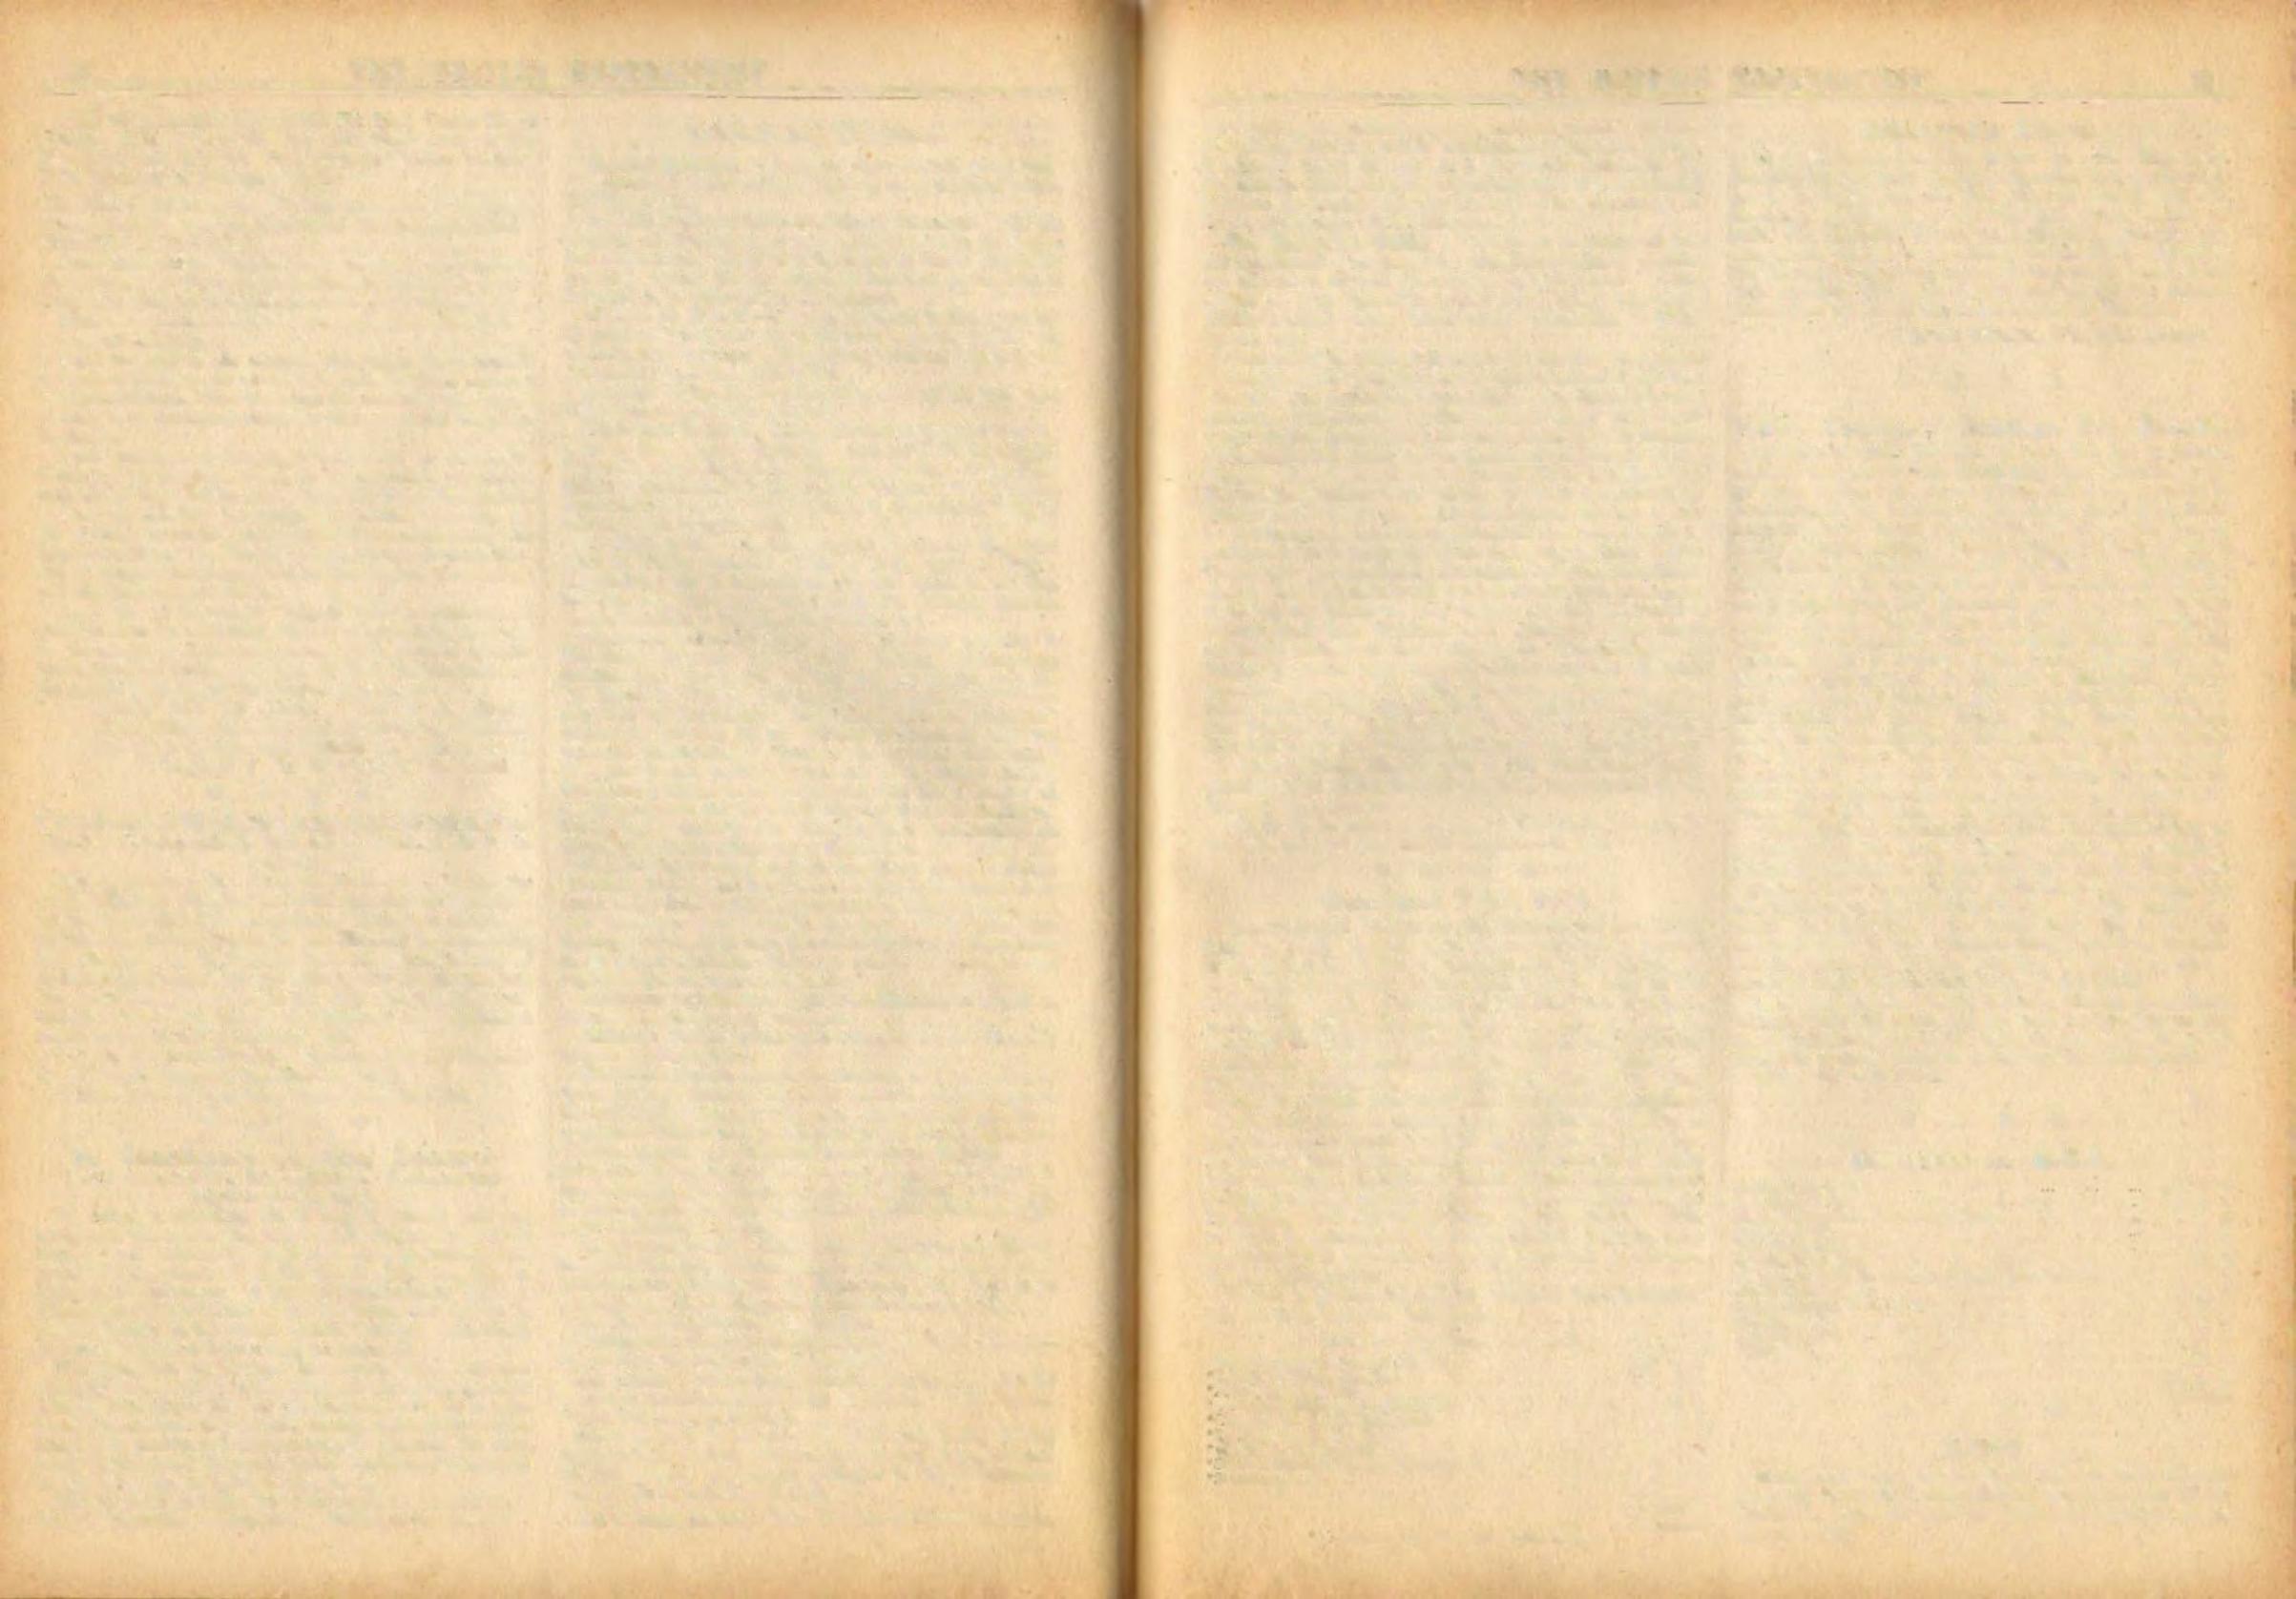

societo, kiu gajnis militan honoron.

Tiu ĉi sama samideano antaŭ nelonge alestis al la utilo de Esperanto. Li estas Hispano, kaj okaze de la vizito al la brita armeo de eminenta registara oficisto de Argentino, oni sin turnis al Lettenanto Ormonde petante, ke li interpretu la hispanan paroladon de la Argentinano. S-ro Ormonde forlasis Hispanujon autaŭ multaj jaroj kaj li spertis malfacilaĵon, interparolante per tiu lingvo, do, li respondis al ia demando per Esperanto. La alia tuj daŭrigis esperante kaj klarigis, ke li estas fervora samideano. De tiam ĉio iris bone.—

Copy of Memorials sent to the Rt. Hon. David Cloyd George, H.M. Prime Minister and First Lord of the Treasury, and the Rt. Hon. Arthur James Balfour, H.M. Minister of Foreign Affairs: --

The MEMORIAL of the British Esperanto Association (Incorporated) in Annual General Meeting assembled HEREBY SHEWETH

That your Memorialists have observed with interest the proposal for the formation after the present War of a League of Nations to maintain and enforce peace.

That it is necessary that such a League should have

an official language.

That any one of the nutional languages is unsuitable for such a purpose, as its adoption would offend national susceptibilities and thus prejudice the success of the League. That it is necessary therefore that a neutral language

That the neutral language Esperanto is admirably suited for the purpose, owing to its precision, regularity, wides pread use, and the ease with which it can be acquired.

That the Modern Languages Committee appointed by the Prime Minister have reported recommending the appointment of a Committee" to enquire into the potentialities of artificial languages and the desirability of encouraging the development and use of one."

That the Memorialists suggest that instructions be given to such a Committee, when it is appointed, to report on the fitness of Esperanto for use as a medium of communication in diplomatic affairs, and, particularly, as the official language of the League of Nations.

Souled with the Common Soul of the British Esperanto Association and signed by the President thereof at London, the twentieth day of May, 1918. (Signed) J. M. WARDEN, President.

*52. Question.—Mr. CHARLES DUNCAN.—To ask the Prime Minister whether, as recommended by the committee to enquire into the position of modern languages in the educational system of this country, a committee has been set up to inquire into the potentialities of artificial languages and the desirability of encouraging the use of one; if so, can he give the names of the committee, and, if not, can he say whether the question is likely to be settled at an early date?

The Esperanto Guide, a complete manual of the International Language for English-speaking people, by Maurice Hyde. 214 pages, paper cover. Published by The Speciality Press Pty., Ltd., 189-191. Little Collins-street, Melbourne, Australia. Price

2s. 6d. net.

This new text book of Esperanto (the first published in Australia) is certainly, in our opinion, one of the best that has yet appeared, especially so for those who are teaching themselves. After several clear and carefully-written pages on the pronunciation, the learner commences his study of the grammar and words of the language by means of what is called "The Simultaneous Esperanto Reader," in which is used a method by which he is very gradually introduced to the words or the language and its similiarites and differences as compared with English. The following section, "The Grammar" is excellently arranged, being an amplification of the 16 Rules, with copious illustrative examples, followed by some twenty pages on the Correlative Words and the Prefixes and Suffixes. The third section consists of the "Ekzercaro" (including " La Feino"), with very helpful notes and an English exercise founded on each previous Esperanto one. Short sections on Notable Phrases, on Correspondence and Punctuation, Extracts in Prose or Verse, La Plena Gramaliko, on The Language Committee and Academy, on International Money, and a full Vocabulary complete a work which we can cordially recommend to all learners and teachers.

We hope to have a supply of The Esperanto Guide for sale here by the end of August.—E.A.M.

Guarantee Fund, 1918.

Members and friends of the Association are aware that the yearly deficit, which is unavoidable at present if the activities of the Association are to be carried on in a suitable manner, is met each year by calls on the Guarantee Fund. The basis of this fund has now been broadened, and guarantees of 5s. and upwards can be accepted for 1918. Everyone willing to help, whether a Member of the Association or not, is at liberty to become a Guarantor, and Esperanto Groups or other bodies of persons interested can also combine together or the purpose. A guarantor renders himself liable to pay the entire amount which he has guaranteed (but no more), should the deficit be large enough to make this necessary; but if the deficit is less than the total sum guaranteed, the calls will be on a pro-rata basis and be spread over the whole body of guarantors. Thus, if \$500 is guaranteed and the deficit is \$250, each guarantor will be called on to pay one-half of the sum he has guaranteed.

Forms of guarantee can be obtained post free from the Secretary of the Association.

Felica Trovajo: Babilajo Pri Razado.

La razado estas stranga kutimo, kiu laŭ multuzita esprimo senigas la viron de lia plej bela ornamo. Plue ĝi estas tedaĵo; la regule revenanta bezono forigi la nove kreskintaj harpintoj por ĉiam aperi kun bonc zorgita vizaĝo estas, precipe por multokupitaj homoj, daŭra maloportunaĵo. Malagrablaĵo ĝi fariĝas, se la razilo ne estas sufiĉe akra, kaj oni faras grimacojn pro doloreto. De la tempo, kiam mi komencis razi min, mi povis engenerale esti kontenta pri la akreco de mia razilo; tamen iafoje ĝi lasis iom por deziri, sen tio ke mi povis trovi la kaŭzon, ĉar ĉiujn miajn ilojn mi tenadis en bona stato. Precipe la lastan vintron mi ofte ne estis kontenta, ĝis la tago, kiu alportis la liberiĝon. Antaŭ jaroj en Indio mi observis kaporalon flegiston, akrigantan razilon sur akriga Stono. Tiaj Stonoj konsistas duone el bruna, duone el blua ŝtono, kaj mi demandis al li, kial oni uzas ĉiam la brunan parton. La blua ŝtono, li diris, estas pli mola ol la bruna kaj ĝi forprenus tro multe de la metalo, kio ne estus bona por razilo. La bruna estas pli malmola kaj akrigas ne tial rapide.

Tiun tagon mi rememoriĝis pri tiu interparolo kaj mi pripensis, ke mia akriga rimeno, bone trae grasigita, pendadas en malvarma ĉambro, pro kio ĝi ĉiam estis rigida. Prove mi metis ĝin sur la forno por varmiĝi kaj tute malrigidiĝi, kaj poste mi frotis sur ĝi la razilon. La efiko estis surpriza. La razilo estis tiel akra, kiel ankoraŭ neniam, kaj la razado fariĝis preskaŭ plezuro. De tiu tempo mi povas razi min tri aŭ kvar fojojn, antaŭ ol estas necese denove akrigi la razilon.

Inter miaj legantoj estos sendube multaj, kiuj ankaŭ kutimas razi sin mem, kaj tio estis instigo por mi por tiu ĉi rakonteto, por ke ili profitu de ĝi; necsperantistoj Suldas al si mem, se ili ne povas havi la saman profiton.
